Dear Utah Catholic School Families,

Today, Governor Herbert extended his public school building closure order from May 1<sup>st</sup> through the end of the school year.

In keeping with the state order and for the health and safety of the community, Bishop Solis has also announced that Utah Catholic School facilities will remain closed through the end of the school year. Remote instruction at all Catholic Schools will continue through Friday, May 29<sup>th</sup>.

Principals and teachers will continue to work hard and are committed to providing relevant and meaningful online and remote instruction. In addition, they are aware that many end of the year activities and special rites of passage will be disrupted by this situation. They have been planning for such an eventuality and will be communicating to you alternative plans for events such as graduations, special awards ceremonies, etc....in the weeks to come.

Again, I also realize that some of you may be experiencing a reduction in income. Our schools are committed to the Mission of Catholic education and will work with you during these difficult times. Please do not hesitate to contact your principal as necessary.

Wishing you and your family the peace of the risen Lord during this Easter season.

Mark Longe  
Superintendent of Catholic Schools
